ACADEMIC PROJECTS

CRYCHIC Band Sociology Research	FINISHED
<i>Lead author</i>	2023
• Project Purpose: The present study will examine and analyse the interpersonal relationships of girl bands in a small sample based on real-life situations.	
• Research indicates that the initial objective of the all-female band was commendable. However, the adverse socio-economic conditions experienced by Sakiko during her upbringing had a detrimental effect on the realisation of the outcome	
• As the study reached its conclusion, Sakiko found herself in a state of profound solitude, a condition that was exacerbated by her censure of Soyorin and Tomori	
Ave Mujica Band Business Analysis	ONGOING
<i>Lead author (CURRENTLY IN DOUBT)</i>	2024
• Project Purpose: In order to demonstrate the commercial viability of the band's project following significant life changes of Sakiko.	
• The project was met with unparalleled commercial success in its infancy, as evidenced by its triumphant performance at the Nippon Budokan within a span of three months	
• Presently, the direction of this project is overseen by other members, notably Yuutenji Nyamu. Moreover, this initiative has yielded a number of psychological research samples
